RED CROSS DENIES

sensed of Fighting Navy League's Scheme Involving 81,500,000 a Month.

COMPLAINT TO DANIELS

Fracas Arises Over Question of Authority-Plan to Aid Recruiting.

WASSESSION, April 17 .- Charges that the American Red Cross, actuated by scalousy of its own prerogative of adpalousy of its own prerogative of ad-ministering to the needs of the families a bullet wound in his left breast near of soldiers and sailors, had made un-systable a fund of from \$1,500,000 to than an hour when found by his wife. surpose, were made to-day local of-

selves with denying that they had interrupted the plan of the Navy League by complaining to Secretary Daniels, and said that no obstacles had been placed by the Red Cross in the path of the Navy had been in ill health and under the

William H. Stayton, executive secre-tary of the Navy League, stood sponsor, for the charges. He said that negotiapor the charges. He shad that negotiations have in progress in the hope that a working agreement can be reached whereby the Navy League will be permitted to resume its activities along the inter-

rupted lines.
The Navy League believes, Mr. Stay-The Navy League believes, Mr. Stayton said, that the work it planned to do with the fund of between \$15,000,000 and \$24,000,000 a year was outside of the province of the Red Cross, necessarily a neutral organization. The Navy League's plan was to extend support, at a cost of from \$20 to \$35 a month, to the families of men enlisting in the next. he families of men enlisting in the navy narine corps who would not otherwise

To Stimulate Recruiting.

The plan was an inducement to recruits, the Navy League holds, and this placed it outside of the functions of the Red Cross. The fund would also be used in aiding the families of men already in either branch of the service who might be killed or permanently disabled by wounds or illness while in the service. idmit, but they say they had secured rom wealthy men promises of monthly from wealthy men promises of indicates the contributions which would enable the The Marine Corps, however, exceeded find's operators to pay from \$20 to \$35 the figures of the previous day. Fifty-With this start the bal-

When the Navy League has got these pledges, Mr. Stayton said, the Red Cross wrote to Secretary Daniels, calling atention to the league's plan and setting

Stayton quoted the Geneva con-n in support of his stand that the loss was authorized only to care families of men who might be or wounded, regardless of nation-The Navy League's fund was to stimulate recruiting, and the ister a fund with this as its chief pur-

New Bill Providing for Cabinet Commission Will Be Offered.

WASHINGTON, April 17 -A general Nivers and harbors bill, carrying prob-ably \$33,000,000, will be introduced at ors Committee announced to-night. Decision to introduce the measure was reached after President Wilson conferred with Senator Fletcher, chalrman of the Commerce Committee; Senator Ransdell of Louisiana and Representative Small. Conferences between the Congressmen and Secretary Baker were also held. The President, It is learned, named as a condition of his approval of the bill that it contain a provision for a depart-mental commission of Cabinet members to study harbors and waterways. The commission will comprise the Secretaries of War, Interior, Agriculture and Com-

WAR EXPENDITURES BOARD.

Rules Committee Foreshadows Indorsement of It.

VASHINGTON, April 17.-Favorable tion by the Senate on the proposal Senator Weeks that a joint committee be appointed to supervise war expendi-tures was foreshadowed at the meeting of the Rules Committee to-day when a Sub-committee of Senators Owen, Hoke Smith, Overman, Gallinger and Knox was named which will meet to-morrow to redraft the resolution. The plan was also indorsed by the Republican con-ference which met earlier in the day. The proposal will have almost the en-tire support of the Republican Sena-tors and of a number of Democrats. A similar resolution was introduced in the House by Representative Madden.

Schools to Aid Farm Survey. Albant, April 17.—John H. Finley, tate Commissioner of Education, tele-raphed to the 207 district school super-itendents of the State to-night sequest-ing them and the teachers and pupils to ather data for the use of the Gov-fnor's particular agriculture committee making a survey of the agricultural sequences of the Blate.
